Case No. 3:19-cv-05553-BHS

**NEUTRAL STATEMENT OF THE
CASE**

This is a civil case involving claims for personal injury and other damages arising out of the December 18, 2017 derailment of Amtrak Cascades Train 501 near DuPont, Washington. Kylie Steele is the plaintiff in this case and was a passenger on the Amtrak train when it derailed. Plaintiff suffered a mild traumatic brain injury in the derailment, and alleges she suffered damages as a result of that condition. Defendant Amtrak has admitted that it is liable for the damages resulting from the derailment but disputes the nature and extent of the Plaintiff's damages arising out of the mild traumatic brain injury she suffered in the derailment.
